

# ADVENTURER'S NOTEBOOK

We are the ,  
Finding us is your true aim.

, you should put us back.  
Together, we will set you on the right track.

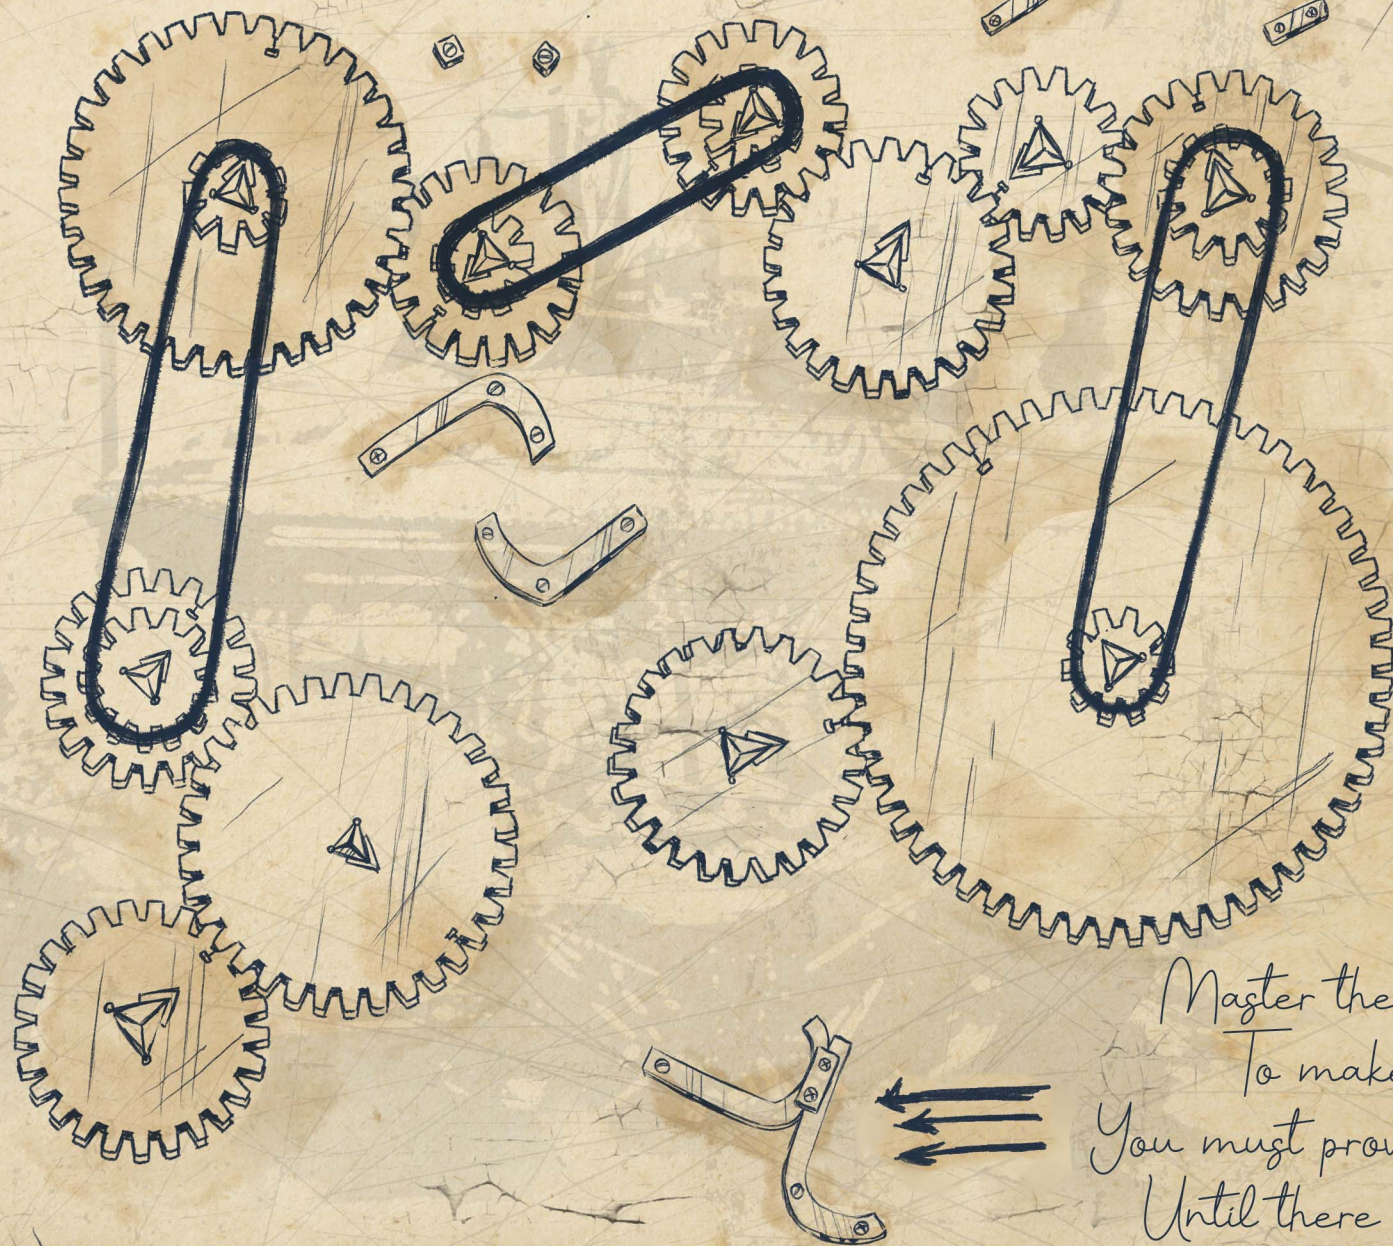

I am the keeper of the secret.  
Find me and you are sure to get  
The result that will make your day:  
The mystic place where I stay.

Master the wise wheels  
To make it real.  
You must prove yourself deft  
Until there is none left. 2

Open all dark windows  
To eliminate shadows.  
You will find what I contain.  
It's hard work, but no pain no gain.

Close to the

Of the man with.

You will find it in

And know that you're.

No gift is so small as it would seem, it is no gift?

For good & true of good way small it

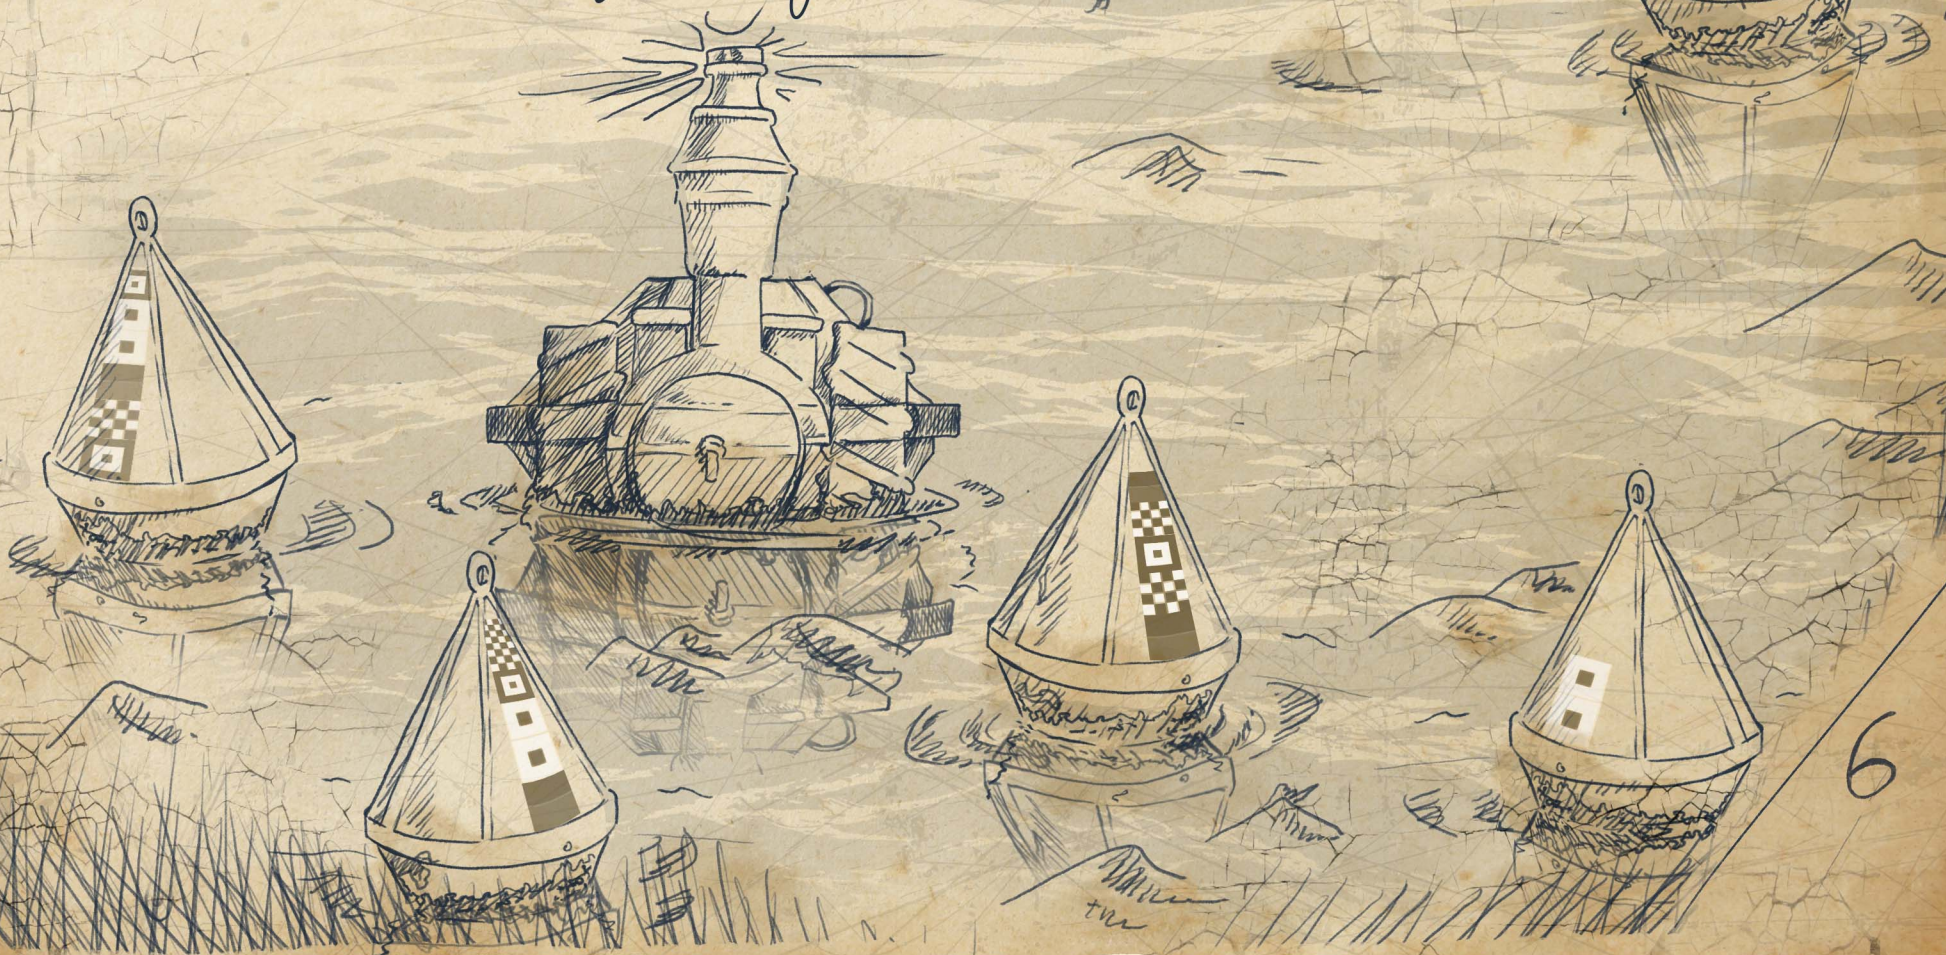

Does are not too thin.

Find my English twin

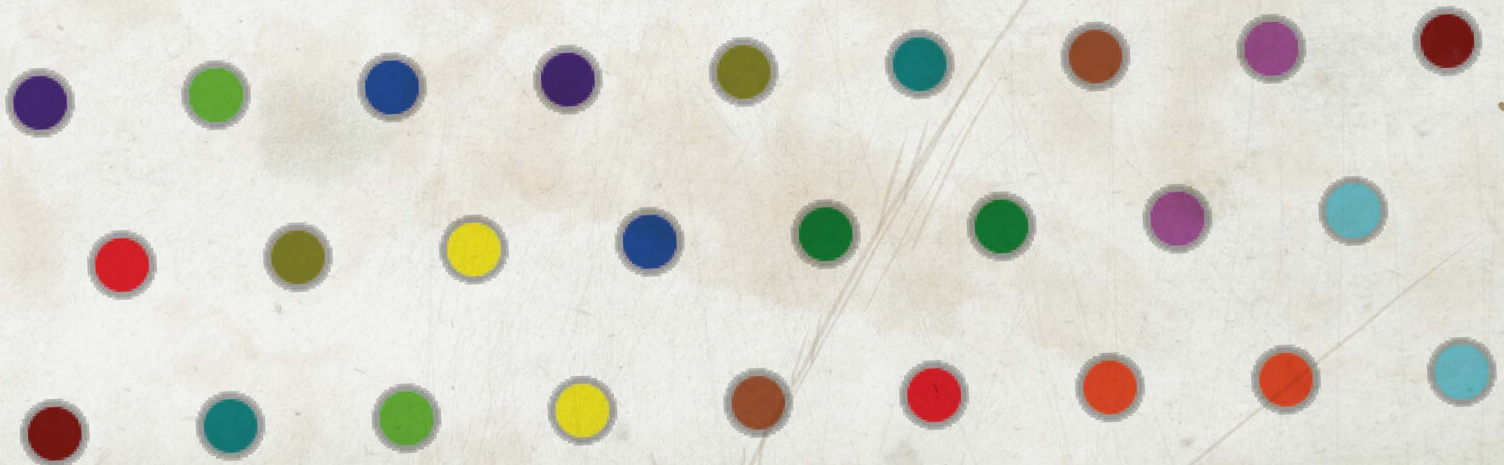

The flags will show you  
What you have to do.  
Find them and don't complain.  
The wheel will help you again.

Close to me, they broke it.  
To find who I am, you must solve it.  
If you misunderstand, wheels may betray.  
Many attempts are the price you'll have to pay.
